

THAIFOODS GROUP

Inviting Thai Foods suppliers to join the Thai Private Sector Collective Action Coalition Against Corruption Project: CAC

THAIFOODS Group operates business under good Corporate Governance principles and focuses on Anti-Fraud and Corruption to ensure that THAIFOODS fights all forms of Corruption and at all levels. Define Anti-Fraud and Corruption policy which is subject to compliance with rules, regulations and laws related to Anti-Fraud and Corruption by requiring all THAIFOODS to comply as well as to build confidence among all stakeholders that THAIFOODS conducts its business with honesty, integrity, transparency and accountability.

Including Thailand's Private Sector Collective Action Coalition against Corruption (CAC) Project which comes from the word "Collective Action Coalition Corruption" The main goal of CAC is to encourage business organizations in the private sector to formulate a concrete Anti-Corruption policy. THAIFOODS has joined the membership CAC and has continued to follow the main intention of the project against corruption since 2016 until now.

THAIFOODS would like to join to be a part in continuing the intention of Anti-Corruption in a concrete manner by inviting THAIFOODS all partner to join as a member of the project to create an alliance of Thai private sectors Anti-Corruption: If any partner is interested in participating in the project can learn more at www.thai-cac.com
